

Nacro's

course

Get confidence, work experience and an employability qualification with Nacro.

The course is ideal for young people aged 16-19 who are Not in Education Employment or Training (NEET). It includes:

- A work placement, based on your ambitions and potential career path, with a local employer
- Presentations and activities from experts to help you understand the choices ahead
- Sessions with Nacro to improve your confidence and employability skills
- Support with moving on to employment, college or an apprenticeship
- English and Maths Functional Skills qualifications from Entry Level to Level 2
- A work placement for up to six months

We offer means-tested bursaries and free meals to eligible learners. Please contact us for more information or to arrange an informal visit:
